What's Included in Every Package

- Site measurement and design consultation
- Layout planning and material selection
- Execution and site supervision
- Cleaning and debris removal after work
- Snagging visit within 15 days of handover

Notes

- Rates are per sq.ft of carpet area (standard interior design pricing method); final quote confirmed after site visit and scope finalization.
- Civil work (wall breaking, plumbing/electrical rerouting) is quoted separately if required.
- Material brand and finish can be upgraded within a package on request.

- GST as applicable is not included in the above rates.

For a site visit and final quotation, contact Housinfra.
