What's Included in Every Package

- Site measurement and paint quantity estimation
- Surface cleaning and preparation
- Masking of switches, frames and fixtures
- Cleaning and debris removal after work
- Touch-up visit within 15 days of completion

Notes

- Rates above are for wall area (not floor area) and are indicative; final quote is confirmed after site visit.
- Exterior painting costs 15-25% more than interior due to scaffolding and weather-grade paint.
- Paint brand and shade can be customized within each package's product range.
- GST as applicable is not included in the above rates.

For a site visit and final quotation, contact Housinfra.
